

“Kickstart Justice” Study Guide
3/18/16

If you were to do a justice-themed lock-in with your youth group:

1. What are some social justice issues, specific to your community, that you would want to tackle?
2. Who are some worshipping communities you could partner with?
3. What are some agencies the youth could serve with?
4. Hillyer Memorial did some “outside the box” service projects, like creating a social media campaign and an art piece for A Place at the Table's fundraiser. Think about your youth group's individual and collective gifts, and ways they can use those gifts to serve the agencies.
5. Hillyer had two professionals from non-profits in Raleigh come to speak with the youth about how their organizations got started. Who would these individuals be in your community?
6. What texts from Scripture would you use for a Bible study during your justice lock in? Here are some suggestions:
 1. Micah 6:8
 2. Matthew 25: 31-46
 3. James 2:14-17
