

YMCO: 13 Steps to Stop the Spread

- 01** Small groups of campers stay together all day, each day practicing social distancing
- 02** Requiring masks to be worn during worksite and program times
- 03** Routine cleaning and disinfection in collaboration with site and housing staff
- 04** Regularly cleaning and disinfecting of buses and other transport vehicles
- 05** Providing physical guides, such as tape on floors and signs on walls, to promote social distancing
- 06** When/If possible limiting group events, gatherings, or meetings where social distancing of at least 6 feet between people cannot be maintained
